ALBANY, NY, 07/26/21 — Rocky Point Historical Society is one of this year's [Preserve New York](#) (PNY) grantees. Their **grant of \$6,685** will fund a Building Condition Report of the Noah Hallock Homestead. The Preservation League of NYS and their program partners at the New York State Council on the Arts (NYSCA) and the Robert David Lion Gardiner Foundation are thrilled to help fund this important work.

The Noah Hallock Homestead, ca. 1721, is recognized as a landmark in Brookhaven Town and was listed on the State and National Registers in 2013. It is one of the few remaining 18th century Cape Cod-style farmhouses in Suffolk County. Seven consecutive generations occupied the house until 1964. The Rocky Point Historical Society is planning for their 25th anniversary by contracting Steward Preservation Services, LLC to produce a Building Condition Report of the Noah Hallock Homestead — thanks to a \$6,685 Preserve New York grant. The resulting report will clarify causes of deterioration, identify areas of instability for corrective restoration or repair, and develop work descriptions to assist the Historical Society in obtaining bids for the necessary work.

At its 2021 meeting, an independent grant panel selected **32 applicants in 25 counties to receive support totaling \$297,995**. Each grant supports important arts and cultural initiatives, as well as economic development related to our state's arts and cultural heritage. Many of these grants will lead to historic district designation or expansion, telling the stories of communities throughout the state and allowing property owners to take advantage of the New York State and Federal Historic Tax Credits. This is even more valuable now, with the NYS Commercial Historic Tax Credit recently expanded for small projects, granting property owners a 30% credit. With the announcement of the 2021 awards, support provided by Preserve New York since its launch in 1993 totals more than \$3.3 million to 489 projects statewide.

The Preserve New York program is a regrant partnership between the New York State Council on the Arts (NYSCA) and the Preservation League, made possible with the support of Governor Andrew M. Cuomo and the New York State Legislature. The Robert David Lion Gardiner Foundation has generously provided additional funds to support nonprofit projects in Nassau and Suffolk Counties.

Since 1993, Preserve New York has been providing funds to municipalities and nonprofit organizations that need technical, professional assistance to guide a variety of preservation projects. The historic structure reports, building condition reports, cultural landscape reports, and cultural resource surveys funded through this program lead to positive outcomes across New York's 62 counties.

"This grant is a tremendous next step to help us restore the Noah Hallock Homestead, built 300 years ago", said **Suzanne Johnson, Society president**. "What a great birthday gift for this house! We thank the Preservation League, the New York State Council on the Arts, and the Robert David Lion Gardiner Foundation for this opportunity. We can't wait to get started."

"We are proud to continue our partnership with the Preservation League of New York State to support projects that foster community, and celebrate our State's rich history" said **Mara Manus, NYSCA Executive Director**. "NYSCA remains dedicated to preserving New York State's cultural footprint and we look forward to seeing these vital preservation projects realized. Congratulations to all!"

"Navigating the difficulties and hardships of the past year has been a challenge for nonprofits and municipalities across the state," said **Erin Tobin, Vice President for Policy and Preservation and the Preservation League**. "The League is grateful to our program partners at NYSCA and the Gardiner Foundation for continuing to support Preserve New York, which will grant much-needed dollars to so many worthwhile preservation projects this year."

"The Robert David Lion Gardiner Foundation is delighted to have partnered once again with the Preservation League of New York State to support preservation projects on Long Island. These awards prepare our stewards to professionally assess the needs of future renovation and restoration of their historic site, thus saving them as educational tools for future generations," said **Kathryn M. Curran, Executive Director of the Robert David Lion Gardiner Foundation**.

About the Preservation League of New York State

Since its founding in 1974, the Preservation League has built a reputation for action and effectiveness. Our goal has been to preserve our historic buildings, districts, and landscapes and to build a better New York, one community at a time. The Preservation League of New York State invests in people and projects that champion the essential role of preservation in community revitalization, sustainable economic growth and the protection of our historic buildings and landscapes. We lead advocacy, economic development, and education programs across the state.
